

## Harleysville Baseball

## **REGISTRATION IS NOW OPEN**

Harleysville Baseball is a community baseball organization offering intramural and competitive baseball for ages 4-16 (4 year olds must turn 4 before May 1st). Registration is now open at <a href="https://www.harleysvillebaseball.org">www.harleysvillebaseball.org</a> (4-12 yr olds) <a href="https://www.harleysvilleconniemack.com">www.harleysvilleconniemack.com</a> (13 -16). This year, in addition to our regular intermural programs, we are offering winter workouts for children ages 5-12. The workouts are a nominal fee and will be held Sunday afternoons during the winter months.

With around 700 Children participating annually, your child will be making new friends, gain leadership skills and have an appreciation for differing abilities....all while playing a game they will learn to love. We offer a **structured**, **age-based**, **development program** and ensure all coaches are qualified, obtaining the necessary PA state background checks.

In addition to Intramural Baseball, Harleysville Baseball offers selected players an elite travel baseball experience that competes in local, state and national tournaments. Taking that baseball experience to an **ALL NEW** level .

Along with our storied success, Harleysville Baseball has one of the nicest facilities in the area. Along with the 8 fields we have a snack stand, restrooms, batting cages and practice mounds all conveniently located adjacent to the Harleysville Community Center. Harleysville Baseball is a 100% volunteer based organization. We take pride in our volunteers who help with the upkeep and maintenance. Our volunteers are the ones who make Harleysville Baseball one of the most affordable sports in the area. For additional information please reach

out to us at <a href="mailto:Secretary@harleysvillebaseball.org">Secretary@harleysvillebaseball.org</a>
