

Indian Valley Public Library Presents Quilting Events with Along The Way

Wednesdays

January 17

February 21

March 21

April 18

May 16

2 pm to 6 pm

Indian Valley Public Library is partnering with Along the Way, a local non-profit that provides high-quality, affordable, in-home childcare to single mothers who are working, going to school or training during nights and weekends, to help make quilts for their program! The goal of the quilt project is to give a quilt to every child in the program, and to create quilts for awareness and fundraising.

ANYONE can help!

No sewing experience required.

Together we will set up stations for ironing, cutting, and sewing. Please bring a smile, and if you have any extra: irons, ironing boards, rotary cutters, mats, or sewing machine! Grab a friend and let's have fun bringing warmth to a child in need.

Let April Matt know if you have any questions or concerns at [267-382-9607](tel:267-382-9607) or info@alongthewaypa.org
