

SAHS Greenhouse Growers Plant Sale!

Date: Saturday, May 1 (rain or shine!)
Time: 9am-1pm
Where: SAHS @ The Greenhouse (on Stadium Drive side)
What: Curbside Pickup, Cash & Carry!

To maintain social distancing during the sale, we are providing detailed plant selections below. **WE HAVE TOO MANY PLANTS TO PUT ON ONE PAGE** but here's a good sampling! At the sale, you will make your selections and simply drop your \$\$ into our cash box on the honor system. **All funds support our Greenhouse Growers by SAVE program.** We will accept any further donations to help boost our program next year and appreciate your generosity!!!

Assorted Succulents

\$3.50 per plant, 3/\$10

Plant care: Succulents are all the rage as houseplants! We have an assortment of all sizes and shapes. Generally, succulents need to dry out between waterings and prefer a warm sunny spot.

"Maverick" Geranium mix

\$4.50 per plant, 5/\$20

Plant care: A lovely outdoor bedding plant, geraniums prefer 4-6 hours of sun in order to bloom. Allow to dry out between waterings, then water thoroughly. Amazing foliage!!

African Violet

\$5.00 per plant

Plant care: These beautiful indoor plants were propagated from single leaves by our Greenhouse Growers! African violets prefer indirect light (don't put directly on a windowsill!) and watering from the bottom to prevent leaf rot. **MAKES A GREAT GIFT!!!!!!!**

"Bandolero Guava" Lantana

\$4.50 per plant, 5/\$20

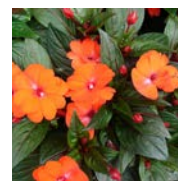

Plant care: This long blooming, trailing outdoor plant can be grown in containers or in beds. It prefers sunny locations and well-drained soil. **VERY ATTRACTIVE TO BUTTERFLIES!**

"Orange Splash" New Guinea Impatiens

\$4.50 per plant, 5/\$20

Plant care: Preferring only a half day of full sun for the best blooms, these gorgeous impatiens are the perfect bedding plant. They enjoy regular watering and benefit from an organic fertilizer periodically through the growing season. **GORGEOUS!**

"Tiki Torch" Crazytunia Petunia

\$4.50 per plant, 5/\$20

Plant care: Perfect for hanging boxes, window boxes and containers, they prefer full to partial sunlight and weekly fertilizing. A must see plant!

"Vanessa Dark Pink" Verbena

\$4.50 per plant, 5/\$20

Plant care: This dainty flowering plant loves full sun, fairly moist soil and to be pinched back weekly for maximum flower output. Attractive to pollinators!

Plus...a beautiful assortment of hanging petunias are in limited supply for \$20
