Pickleball is a paddle sport that combines elements of badminton, tennis, and table tennis. Two or four players use solid paddles made of wood or composite materials to hit a perforated polymer ball, similar to Wiffle Ball, over a net.

It's fun for all ages!!

The cost of the clinic is \$10.00/person (cash or check to Franconia Township). Classes are limited to 16 players and registration is required. A completed sign-up sheet, waiver form and payment must be received by the township to be registered for this event. See township website or office for forms. First come, first served. Questions, call 215-723-1137.
