

Do you know your primary colors?

Hint: ● ● ●

**No Experience is
Necessary**

**You decide your time
commitment**

**7 meetings in Sept/Oct to
learn about the portfolio**

**We visit all of the
Elementary Schools in
Souderton**

The [Souderton Chapter of AGTS](#) has been visiting your child's school for about 40 years! Our longest active member has been discovering art with your child for 37 of those years.

**We want to continue to show your child that art is part of
math, reading, language arts, science, history and social
studies.**

WE NEED VOLUNTEERS
