

HARLEYSVILLE FC

Harleysville FC is proud to partner with the Major League Soccer (MLS GO) for the 2026 Summer Intramural Season. MLS GO is a perfect fit for Harleysville FC due to its mission to, "provide greater access to the sport of soccer regardless of age, gender, location, talent level or financial capacity. And to expand the presence of MLS and our Clubs, enabling more kids in more places to develop an interest in the game and familiarity with our teams". Whether destined for fandom or stardom, MLS GO is the first step in the pathway. We invite all to learn basic soccer skills and develop a lasting love of the game. MLS GO partnering with the pre-existing Harleysville FC Intramural programming will offer unique combination of infrastructure, organization and vision. We will remain the community recreational option that's packaged more professionally and supported by an elevated brand, superior programming, streamlined coaching education and more energetic and exciting products and experiences.

WELCOME TO HARLEYSVILLE SOCCER SUMMER INTRAMURAL 2026!

Summer Intramural League Runs from Monday, July 6th through Saturday, September 12th
